

# Why Does A Baby Cry?

---

Many moons ago, a certain man of absolute deity walked this Earth dutifully doing the will of His Father and speaking parables to encourage, enlighten, teach and train His followers to do the same and greater. Following His lead and example, this presentation endeavors to teach likewise.

The simple answer and its exploration as to **“Why Does A Baby Cry?”** reveals how learning of your potential energy and its successful conversion to kinetic energy, is the essential and fundamental element to accomplishing goals, completing tasks, becoming a business success and cancelling attendance to all future pity parties!

**“Why Does A Baby Cry?”** is recommended introductory to **“RCA™ Method of Creating Sound Business Records”** and both are predecessors to our **“M.A.D.E.™ in the USA”** system, which strategically combine to guarantee your business success in today’s technology-driven marketplace. With 21 years of experience in advertising, marketing and talent industries, Larry Freeman personally models his message having used this same system to transform his ideas into several, successful private business endeavors.
